Representative Amount of the Line: Dunning sells only to retail outlets which carry a representative amount of the line as deemed appropriate by Dunning in light of the type of retail outlet, the status of Dunning's line or lines of merchandise, and marketing conditions. Failure of a retailer to do so contravenes the terms and conditions of sale and may result in cancellation of existing orders and/or termination of Purchaser's business relationship with Dunning.

Distribution Channels: Dunning reserves the right to limit the distribution of some product lines or segments to certain selected distribution channels.

Design Changes: Dunning reserves the right to discontinue product lines and to make changes offered in products at any time.

Allocations: Acceptance of orders and shipments are subject to allocation by Dunning in times of product shortages in response to factors deemed most appropriate by Dunning at the time.

Merchandising of Products: Purchaser agrees to (a) provide prompt, courteous service to its Dunning consumers using personnel trained in the selling and servicing of golf products and Dunning products in particular; and (b) merchandise Dunning products consistent with guidelines established by Dunning from time to time, including with respect to the in-store display of Dunning products.

Shortages: All claims for lost or damaged shipments (a) with respect to warehouse orders, must be made directly to the delivering carrier, and (b) with respect to containers, must be made in accordance with Dunning's claims policy, a copy of which is available on request. Shortages due to packing errors must be reported to Purchaser's Dunning Account Service Representative in New York, New York within fifteen (15) days of receipt in the case of shortages in cartons and within thirty (30) days of receipt in the case of concealed shortages.

Return Goods Policy: All returns, including the product assortment and quantity to be included as a return, are subject to pre-authorization by Purchaser's Dunning Account Service Representative. Defective and return to stock items must be authorized and returned separately.

Upon approval by Dunning, a Return Authorization Number and, if requested, Label, which must be clearly affixed to the outside of the carton will be issued to the Purchaser. Returns not carrying the Dunning Return Authorization Number will be refused delivery by Dunning and will be returned to the Purchaser. Merchandise must be returned in the same salable condition as received. Credit will not be issued for any product items or quantities other than as specifically included in the pre-authorization.

All returns must be shipped to Dunning in accordance with Dunning's Routing Guide for return freight. With defective merchandise, the Purchaser's account will be credited at full value. First quality returns will be credited to the Purchaser's account at full value less a fifteen percent (15%) restocking charge. Shipments refused by the Purchaser will be credited at full value if the shipment error is by Dunning. Shipments refused for reasons not attributable to Dunning will be credited at full value less fifteen percent (15%) restocking charge. Dunning reserves the right to assess a charge on return shipments for the removal of any pre-ticketing.

Customer Routing and Logistic Requirements: Dunning will not be bound to terms, directives or requirements set forth by Purchaser through Routing and Logistic Guides unless Dunning has agreed in writing to such terms, directives or requirements. In addition, Purchaser may incur charges for value added services (labeling, ticketing, and special packaging). Routing and Logistic Manuals should be directed to the Compliance Department located at Dunning's corporate headquarters office.

Limited Warranty: Dunning warrants that its products, at the time of shipment, are free from defects in workmanship and materials. **THE WARRANTY DESCRIBED IN THIS PARAGRAPH SHALL BE IN LIEU OF ANY OTHER WARRANTY, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OF MERCHANTABILITY, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FITNESS FOR A PARTICULAR PURPOSE.**

Purchaser's remedies are exclusively limited to replacement of or credit for any defective product (at the option of Dunning) but such replacement or credit shall be made only if the Purchaser follows the terms and conditions set forth herein under the "Return Goods Policy" section.

Limitation of Liability: DUNNING ASSUMES NO LIABILITY EXCEPT AS EXPRESSLY PROVIDED IN THESE TERMS AND CONDITIONS AND IN NO EVENT WILL DUNNING BE LIABLE FOR LOSS OF PROFITS, INTERRUPTION OF BUSINESS OR ANY OTHER SPECIAL, PUNITIVE, EXEMPLARY, INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, WHETHER ARISING IN CONTRACT, IN TORT, UNDER WARRANTY OR OTHERWISE.

Force Majeure: If a delivery date is specified, that date will be extended to the extent that delivery is delayed by reason of fire, flood, war, riot, strike, attack, natural disaster, or any other event beyond Dunning's reasonable control and if, as a result of such a delay, the goods ordered are unavailable, Dunning may substitute comparable goods; provided, however, that no event of Force Majeure shall excuse payment of any past-due invoice.

General: This contract shall be construed and enforced in accordance with the laws of New York, without reference to its conflicts of law rules that would apply the laws of any other jurisdiction. The parties hereby agree that the New York courts (state and federal) located in New York County will have exclusive jurisdiction of any controversy arising out of this agreement between Purchaser and Dunning, and the parties hereby irrevocably consent to the jurisdiction of those courts. Both Dunning and Purchaser waive their right to jury trial in any controversy or court action between them. Any action for breach of contract must be commenced within one (1) year from the date of the delivery of the goods. Purchaser's rights under this contract may not be assigned, transferred, or sold by Purchaser without the prior written consent of Dunning, which may be withheld in Dunning's sole discretion, and any attempted assignment in contravention with the foregoing will be void. Dunning may assign this contract to a parent, subsidiary, or affiliated firm, or to another entity in connection with the merger, sale or transfer of all or substantially all of its business. Subject to these restrictions, the provisions of the contract shall be binding upon and inure to the benefit of the parties, their suc-

cessors, and permitted assigns. Terms and conditions are subject to change by Dunning without prior notice. The Dunning Authorized Retail Dealer Agreement and these terms and conditions of sale constitute the entire agreement between the parties with respect to the subject matter hereof and supercede all previous agreements or understandings between the parties with respect thereto. No additions to, deletion from, or modification of any of the provisions herein shall be binding upon Dunning unless made in writing and signed by a duly authorized representative of Dunning, the terms and conditions herein being final, complete and exclusive statement of terms of agreement between Dunning and Purchaser.

ANY OFFER TO SELL BY THARANCO LIFESTYLES LLC, D/B/A DUNNING (HEREIN: "DUNNING") AS WELL AS ANY ACCEPTANCE BY DUNNING OF A PURCHASER'S ORDER IS EXPRESSLY MADE CONDITIONAL UPON PURCHASER'S ASSENT TO THESE TERMS AND CONDITIONS OF SALE AND NO OTHERS. PURCHASER'S TAKING DELIVERY OF ANY PRODUCT OR PAYMENT OF ANY INVOICE SHALL BE CONCLUSIVE EVIDENCE OF SUCH ASSENT.

Orders: All orders are subject to acceptance by an authorized official of Dunning at Dunning's Corporate Headquarters Office. Acceptance by Dunning of an order shall be deemed to occur only upon the tendering of delivery of the products that are the subject of such order to the carrier for delivery to Purchaser. Acceptance by Dunning is limited to the terms stated herein and in the Dunning Authorized Retail Dealer Agreement. Such terms and conditions shall control irrespective of any inconsistent, different or additional terms and conditions, whether printed or otherwise, set forth in any communication from Purchaser to Dunning, including without limitation in any Purchaser purchase order, confirmation, routing guide or manual revision and Dunning hereby rejects any such inconsistent, different or additional terms or conditions unless otherwise specifically agreed to in writing by Dunning. Without limiting the foregoing, Dunning further rejects terms and conditions inconsistent with, different from or additional to those contained herein which are contained on any website of Purchaser for which access is conditioned on acceptance of such terms and conditions.

A functional acknowledgment sent on receipt of an electronic order does not constitute acceptance of electronic data interchange orders (for more information and further detail regarding the placement of electronic data interchange orders, see the Dunning Electronic Data Interchange Trading Partner Agreement).

Minimum Order Size: Any embroidered orders accepted for less than twelve (12) units shall be subject to an upcharge. There are no upcharges for blank orders for less than twelve (12) units. For more details, contact your sales representative.

Prices: No employee, Dunning sales representative or any other party other than an officer of Dunning is authorized to alter Dunning's pricing and other terms and conditions of sale. All prices are subject to change without notice. Orders will be billed at prices prevailing at the time of order as reflected on Dunning's then current price list. Dunning will not recognize any terms outside of its standard programs except as specifically agreed in writing by Dunning. The amount reflected in a Dunning invoice will be deemed accepted and binding upon Purchaser unless Purchaser notifies Dunning in writing of a dispute within thirty (30) days of the date of the invoice.

Payment Terms: Unless otherwise stated on the invoice, terms of payment shall be net sixty (60) days from the invoice date. Purchaser shall not set off against or deduct from any amounts due to Dunning hereunder all or any part of any amounts owed or alleged to be owed by Dunning to Purchaser. Chargebacks will not be accepted by Dunning unless agreed to in writing between Dunning and Purchaser. A service charge of 1.5% per month will be charged on all past due invoices plus costs of collection (including but not limited to actual attorneys' fees and disbursements). There are no discounts to customers having an overdue balance. Each order placed by Purchaser and accepted by Dunning shall be considered an independent transaction, and payment therefor shall be due accordingly. If Dunning, in its sole discretion, at any time is unsatisfied with Purchaser's financial responsibility or credit worthiness, or if Dunning feels it needs further assurance that Purchaser will pay for outstanding orders, Dunning shall be entitled to require Purchaser to pay for its orders on a cash-in-advance basis. If Purchaser is in default under any agreement with Dunning, or fails to comply with any written rule or policy of Dunning, Dunning shall have the right, without prejudice to any other legal remedy, of cancelling all outstanding orders. Until payment of all obligations of Purchaser to Dunning is received in full, Dunning shall retain its purchase money security interest in the goods covered by an order and the proceeds thereof, and Purchaser hereby authorizes Dunning to file all and any documents and to give all and any notices which may be necessary or appropriate to protect and perfect and give priority to Dunning's security interest therein.

Audit Claims: Dunning invoices received and retained by Purchaser will be deemed accepted, will be conclusive and binding upon Purchaser (excepting manifest error), and will not be subject to any audit claim by Purchaser unless Purchaser notifies Dunning in writing of its specific objections within thirty (30) days after receipt of such invoice is due.

Delivery: All warehouse orders are shipped F.O.B. shipping point (Dunning loading dock). Container dropship orders are shipped F.O.B. port of entry. All container dropship Purchasers assume ownership of goods upon notification to Purchaser's designated carrier of availability of the container for pickup (by facsimile delivery of the delivery order therefor, telephone notification or such other method as is customary for presentation) within the shipping window indicated in the invoice or as otherwise agreed between the parties. Unless otherwise directed in writing by Purchaser, Dunning will use the carrier designated by Dunning. Purchaser is responsible for all payments due to the carrier. Purchaser assumes all risk of loss upon delivery of products by Dunning to Purchaser's carrier in the case of warehouse orders and to the bailee in the case of container orders. Dunning is under no obligation to insure shipments unless specifically requested by Purchaser and then only at Purchaser's expense and valuation.

Dunning reserves the right to make shipments in installments within the shipping window indicated on the purchase order. Dunning will attempt to meet delivery schedules requested by Purchaser. However, all delivery indications are estimates only. In no event will Dunning assume any liability, consequential or otherwise, as a result of Dunning's failure to deliver product in accordance with indicated delivery schedules. Delivery of part of an order does not obligate Dunning to make further deliveries, and partial deliveries will be billed when made.

Changes in Orders: Changes in orders will be considered only (i) within thirty (30) days of order submission in the case of container orders, or (ii) no later than forty-five (45) days prior to the first shipment date indicated on the order in the case of warehouse orders.

Order Termination by Purchaser: Warehouse orders may be cancelled by the Purchaser only upon written authorization from Dunning's Corporate Headquarters Office and only will be considered if requested no later than forty-five (45) days prior to the first shipment date indicated on the applicable order. Cancellations exceeding 10% of any monthly future bookings will result in loss of discount.

No Transshipments: Dunning sells only directly to selected retail outlets for resale by them only to end users at physical retail locations of the Purchaser as approved by Dunning. Proposed sale at any new retail outlet requires advance written approval from an authorized Dunning official of Dunning's Corporate Headquarters Office. Resale or transshipment of merchandise to an unauthorized location or to another business is expressly prohibited, violates the terms and conditions of sale and may result in cancellation of existing orders and/or termination of Purchaser's business relationship with Dunning. It is understood and agreed that said prohibition of transshipment includes without limitation sales via the Internet or other media, fulfillment of sales originating from electronic media, as well as sales through mail, direct order or catalogues, unless expressly authorized in writing through a separate contractual agreement with Dunning. Purchaser acknowledges and agrees that Dunning is the sole authorized distributor of Dunning products in the United States and Purchaser will not purchase Dunning products from any source other than Dunning.

Change in Ownership: The sale of or a partial, majority, or total change in the ownership in Purchaser or any of Purchaser's approved retail outlets, or all or a substantial portion of Purchaser's assets, shall be deemed an assignment and shall require the written consent of Dunning, in its sole discretion. As a condition precedent to any consent by Dunning to such change in ownership or assignment, the new owner(s) must apply to Dunning for approval as an authorized dealer and Purchaser will merchandise until the application is approved in writing by Dunning's Corporate Headquarters Office.
